# Dawn of titans guide 2018

Who are the spearmen? For example, to gain access to the Hall of Spells, you need to upgrade the Castle to level 4. In the future, Union NGOs will provide various benefits depending on the level of union. Union NGOs are needed to raise the level of union. The blue dome above the domain means that it has an active shield and cannot be attacked at the moment. For instance: Flameheid is a boat that can create amplifications in an event for fiery Titans or victors, as he is a fiery winner. However, it is not automatically included in the unak event because it is not part of the race of unak. High above the hills, fields and beautiful landscapes rises the majestic and powerful Hall of the Titans. An attack on a domain or city results in the use of portal stones that are slowly being restored. Titans are incredibly tall and powerful creatures that easily wreak havoc in battles. Although it does not produce any resources, improving the castle provides access to improvements to all other buildings. Improving the castle allows you to upgrade other buildings and train more troops. Unique Titans arrived and settled in the Temple, and some of the available Titans entered the world in search of new adventures. Gems can be used to make up for food, gold, and portal stones, or in some situations spend them instead of coins. The gold vault is used to store gold collected at the Gold Mine. Food and gold. So hurry to take revenge. There is a construction time for fixing, however it takes effect immediately. If during the game you lost some gems, then most likely this happened for one of the following reasons: Purchase of a building; Buying gold coins / food for gems; Purchase of portal stones; Buying a shield for a domain; Purchase of relics / titans in the Temple; Healing troops after the battle; Speeding up construction or improvement; Neutral Domain Update. What domains can I pin? It is confirmed that this is just a typo, and the enhancements of stage III that Zeus possesses in the game are + 40% to the health of the Imperials and +10 lightning in the Storm Storm. Depending on which sign you received, on one of the altars you will see "x1" and you can use the sign. Dawn of Titans is a shareware game. It is important for players to enter the battle of the Competition so that they manage to complete it before the end of the event. Dawn of Titans: Building the City Right! Welcome to your new city! It may seem to you that all tasks have already been solved, but do not relax. Giant Ragnars are heavy units that deal ground damage. An application for a leader position does not guarantee you this position. Kingdom Level. The elemental damage of each Sphere can only be done by Titans of a similar element. Starting a single player campaign in the world of Dawn of Titans, you can complete many different quests and tasks that will bring you Oo. However, you cannot pick up the reward for the last day of the calendar. Looting allows you to steal resources from the enemy, and the capture transfers the domain under your control and allows you to obtain resources over time. This happens after the end of each season (Mondays). To activate this feature, open Google Play and tap the "Menu" button in the upper left corner (three lines). The Revenge button will be available if the player is still in the same league. How do I leave the union? In order for your Hall of Titans to accommodate more Titans, you need to improve it. Allied camp. How to activate it in the game? This feature is being implemented slowly so that it works stably for all players. What is Reinforcement and how does it work? Capturing a domain also brings resources, however, the domain itself becomes one of your possessions and will bring you resources over time. There are many unions from which you can choose, and each of them has its own style of conduct games. To increase the maximum number of portal stones that your Kingdom can produce, you need to improve the portal - a structure surrounded by upright stones, which is located on the river bank of your city. Where can I find my rewards? How can I block messages from players in game chat? New resources will appear in inventory. The problem may also be with your connection. Natural events , on the other hand, strengthen the Titans, based on their elements: Fire; Ice; Land; Poison; Lightning; Physical damage. Can a fixed domain be depleted? Portal stones are mysterious resources that allow your army to instantly move to other lands. You will also receive one free relic, visiting it daily! There are several altars in the Temple. Why have I been expelled from the union? To see how many resources you can capture, tap the enemy garrison and look at the number under the caption: "Available for capture." The amount of resources that you can steal depends on the size of the reserves the enemy has, the availability of gold or grain in the domain, as well as your courage bonus. Hungry warriors will not do anything. You can log in to your Facebook account and like it on the official Dawn of Titans page. If a player has moved to the league higher, you will not be able to find him. Remember that the text is checked by moderators, so requests containing insults will not be registered. The largest and most impressive building in your city and one of the most important. Relics of battle increase attack and defense of units, helping you defeat enemies. Dawn of Titans: Donator Guide How to get gems? Where can I find purchased kits? Some sets may include troops and spells. Gold cannot be bought directly for real currency, but you can always buy gems and then use them to buy gold. Why does union search not work? The player must go into the inventory and touch the "Use" button to use them. What are the classes, races and elements of the Titans? Relics and titans are placed in inventory. Improve this building and get the following benefits: Increase Farm Storage Limit; Faster food production at the Farm. You can buy new builders (no more than 5) in the construction menu, in the section of purchases from the store. Hall of the Titans. All this will make your kingdom more epic and majestic. If you encounter a problem while trying to find the Badge won during the event, first try to pick up the badge of the day, and then the Iron badge will immediately appear! Do not waste time, collect souls! If you leave your union, the number of souls collected by you will be reset. Be careful! Lost souls cannot be recovered. To increase the level of the Titans, use them in battles. Dawn of Titans: Advanced Tactics What do the three designations for titanium mean? By clicking on this icon, you will be transferred to the union profile. There are 6 races of the Titans, each of which curbed one or another element, which gives them strength in battle: Unaki - fire; Elitins - ice; Mossman is poison; People - physical damage; Ragnars are the earth; Northerners / Vikings - lightning. Castle. Allows you to improve the ability of your doctors to heal troops after battles. To fix the domain you need a builder. The battle log displays your domains, the attacks on which were successfully repelled by your Titan and troops, and also indicates which Titan the enemy was attacking you. Just don't want to pay to enjoy it. Page 2 Posted byu/deleted4 years ago 13 comments DAWN OF TITANS - Android game with release date 12/07/2016 from the company Zynga. Coffers. Unfortunately, after Titan was used to merge, it disappears forever. Improving the camp increases the maximum number of trained troops that you can have. Improve this building and get the following benefits: Increase the maximum number of units of people; Increasing the number of types of units of people that can be created; Raising the maximum level of buildings; An increase in the number of open buildings that can be built; The discovery of new types of buildings. Players who have retained this relic can equip the Ice Titans with it to increase the damage of the Titan (2nd skill). Farm. How to get more Titans? Touch the message of the player you want to block. As you progress through the campaign, you will be able to buy additional buildings of the Council of Emissaries. The military camp serves to accommodate units after training in the Barracks. Garrison. Any titan army that uses one of the Spheres will gain resistance to the elements, regardless of race. The exception is the Unaki-boar Titans (Venomtusk, Snowgor and Flameheid). The issue of membership of players in the union is exclusively dealt with by the leader and administrators of each union. There are several reasons why players can see this message, in most cases this happens when many players attack the same domain / kingdom. Signs you will find on the altars (in the Temple). Therefore, you will not return the gems, resources, shields, and relics that were accidentally spent during the game. Example: if a player entered the game on the 1st, 2nd, 3rd and 4th day of the calendar, but missed the 5th day, the next day he will be able to collect the reward for the 5th day, but will not be able to receive the reward for the 28th day. What happens if I decide to switch to another alliance? Shields and relics are on the corresponding tabs. Buying them directly for real currency will not work, but you can purchase gems, and then spend them on these items. You can find out how many builders you have by the builder icon at the top of the screen. In addition, connecting to game servers will provide backup of your profile. Because pinned domains can be sacked when all resources are removed, they will automatically be depleted. You can receive free relics in the battle or in the Temple of Relics, as well as buy more powerful relics in the Temple. In the battle log you can see who attacked your domain. Why is the pin button still gray, although I have already selected this domain? This feature allows players to protect certain domains so that other players do not capture them. Archers are long-range units, they deal physical damage. The union sign will reflect your position in the league. Panther mossman move quickly and wear light armor, which allows them to attack from the flank perfectly. Fast and deadly militias perform best in battle against ranged units. In the Fragmented kingdoms, the Infected Domain has appeared. They are automatically added to the Military Camp or the Hall of Spells and are ready for use. As with season-end rewards, players can receive an alliance leaderboard reward provided that they do not leave their alliance before distributing the rewards to all players. I can not find the sign of the event. If you are just starting to get acquainted with the game, joining the union you will be able to meet other players, learn about the game and even make new friends. To see your progress to a new level, open the profile screen. Raising the level of your castle, you will receive additional space for domains. Shields are an impenetrable barrier that protects against enemy attacks for up to 24 hours. They protect the garrison on which they are installed from plunder. Your Kingdom increases the level, becomes stronger and earns more experience that is given for winning battles, improving the Kingdom and completing missions. He is fast, belongs to the class of Scouts and deals physical damage. In-app purchase In the game Dawn of Titans, you can buy additional gems! They are divided into sets of different sizes. You can use gems to buy items on them. What does it mean? Many of the best mobile games to date are classified as shareware. Who are the grenadiers unaki? OP, or victory points, are displayed in the upper left corner of the screen and are an indicator of the power of your Kingdom. Well-trained spearmen, clad in durable armor, can easily cope with militias.Spearmen are strong against militias, but weak against archers. This means that each race will use one element in the battle. To plunder or capture a domain or kingdom, portal stones are needed. Portal stones are restored every few minutes, but if you want to fight continuously, you can reload the portal using gems. Leaderboard events are based on Titan races, Titan elements, or Titan classes. In their free time, they usually comb and braid their beards. Touch his profile picture. However, now they are not sufficiently maneuverable to play the role of defensive units, and often experience problems in the battle with faster and more agile troops. Why can't I see the current event in the game? Prices and percentages may vary depending on your country and the exchange rate at the time of purchase. When you first enter Dawn of Titans, you will be asked to join an alliance or create your own. Make sure that you enter the name of the union correctly, especially if there are special characters in its name. To move a building, select it, and then click the Move icon. School of doctors. You will receive random types of relics and Titans. There are no troops in the game that deal lightning damage. Combined with some historical relics, Dancing with the Shadows could make the Berserker Titan immune to ranged damage. The sign is added to the construction section of the store (the crossed hammer and wrench icon in the lower right corner of the screen). Experience directly affects the level of the Kingdom, which reflects the overall power of your Kingdom. Have you just won the Titan badge or other prize for an event (other than the unique Titan) and can't find it? Closed unions do not appear in search results. In order to build any of the buildings in the Dawn of Titans, builders are required. The domain that you manage can be improved by increasing the level of protection and the number of resources produced. Stones of the portal: the basics. Military camp. Elemental damage also means that some Titans will be vulnerable to some elements. Hello r/dawnofitans community, I am a new player here looking for any tips to help me/rookie mistakes to avoid. Loot or capture? Upgrade it to increase the number of troops that you can place. Grenadier unaki do incredible damage in ranged combat, but are vulnerable to melee attacks. Battles with other players spend portal stones. The reward for the new day can be collected after 00:00 (GMT). Where are the portal stones I received in PvP battles? The main currency of the game. Try switching from Wi-Fi to mobile internet or vice versa when this message appears or when downloading Dawn of Titans on your device.Author of the article: Nadezhda D. If another player captures one of your territories or successfully attacks your city, he will receive part of your OP. When fighting, the Titans gain experience points that allow them to gain new levels. Messages from the leader of the union are fixed in the chat of the union only for an hour. This is the home of your mighty Titans. What are experience points (OO), and how to get them? They can also protect your castle or domains from invaders trying to seize your valuable resources. Where did the Ascension function go? Dawn of Titans: Fighting Right Bonus of courage. Please note that having left your union before the distribution of prizes, and that you received the proper rewards for your work. He will not create amplifications in the event for people, since he does not belong to the race of people. It is located in the middle of the world, behind neutral domains. P0S received by the union during the season are converted to the PA of the union. Shareware means that you can download the game and get access to all the content of the game Dawn of Titans absolutely free, however you are given the opportunity to purchase in-game currency for real money. Please note that in 4 major leagues (elite, champion, perfect and legendary) automatic shields will not appear, and opponents will be able to capture your domains without stopping. In class-based events, amplifications apply to the following Titans: Paladins; Scouts; Rangers; Winners; Berserkers; Guardians. I accidentally used Titan to merge. The construction of these buildings will allow you to receive new units of other races, for example, huge giant ragnars or grenadier unics who are strong in ranged combat. If the union does not have an administrator or deputy, the leader status will be transferred to the participant with the highest castle level. For example, Venomtusk is a heavy Titan. Why did the pinned message disappear? If you buy a set or a set with gems, they will automatically be added to the balance of gems. Gems. To view active campaigns, select the crossed swords icon in the lower left corner of the screen. To view active quests, select the crossed swords icon in the lower left corner of the screen.Here you will find a list of your active quests. You can leave them or sell them to make room in your inventory. The more points you collect, the higher your level will become, with the increase of which you will receive gems and portal stones that will help you progress in the game. These Titans are available on the following altars: Altar of the Titans; Altar of 5 Titans; Altar of 15 Titans; Altar of the Titans level 15-40. Having bought a shield, it must be activated (this does not happen automatically!). What is a temple? The battle log shows the players who attacked you and gives them the opportunity to take revenge. This game seemed very intriguing in the App Store, and the story and it's strategy has been promising so far. An internet connection is required for playing together with other Dawn of Titans players. Why do leaderboard events end earlier than usual? This was done to ensure that both events ended without errors, and that you received the proper rewards for your work. He will not create amplifications in the event for people, since he does not belong to the race of people. It is located in the middle of the world, behind neutral domains. P0S received by the union during the season are converted to the PA of the union. You can leave them or sell them to make room in your inventory. The more points you collect, the higher your level will become, with the increase of which you will receive gems and portal stones that will help you progress in the game. Yes. Shields over your domains may appear automatically depending on the number of captures made over a certain period of time. When a player attacks your garrison or domain, a shield automatically appears over it, which disappears after a few minutes, or when you attack other players again (note that when attacking the enemy, the shields disappear automatically). The " special Titans " take into account only the element or class, since they do not have racial affiliation. Experience points, or OO, can be obtained by completing quests and quests in the game. If these vaults are full, troops and spells fall into the relics inventory in the form of scrolls. Gems, portal stones, food and gold are automatically added to the balance of your resources. If you bought a shield, you need to activate it. If you entered the battle 5 minutes before the end of the event, it is highly likely that when the event ends, you will still be on the battlefield.Therefore, to add points for the battle to the total score, try to complete it as soon as possible! Renewal of the giant giants. Upgrade the Hall of Titans to increase the number of Titans you can place in it. Ragnar-giants are slow, but differ in endurance and inflict huge damage. The more domains you have, the more resources you can get. Who are the militias? To do this, tap your profile icon in the upper left corner. If you are afraid of making unauthorized purchases from your account, you can configure the security features in Android to block purchases. This small domain symbol with a plus sign means that you can buy additional seats for gems, the amount of which depends on the number of domains in your possession. For example, elites will attack their enemies with ice and ice weapons. Tip. The building where the portal stones are stored, used to move your troops into battle. It also depends on which league you are in. Tip: In order not to miss the reward of the event, wait for the notification in the game about its receipt, accept it and visit the Treasury to make sure that the reward has been received. Make sure you use a stable internet connection for the game. What should I do with the remaining fragments? Your Titans will automatically level up! Thus, you do not need to do this yourself. If you want to add more powerful Titans to your Hall of Titans, you will have to improve it. The goal of the game Dawn of Titans - to create the most powerful Kingdom, fighting with other players and expanding the borders of his Empire to get victory points (OP). You may run out of free space for domains. Unhappy with the current profile picture? To see how many portal stones you have, tap the event banner. After using food to restore free 3x domains, the next time you try, you will receive this pop-up message: To use food and upgrade free domains, you must wait until the wait timer has finished counting. Dawn of Titans has three important designations: maneuverable, long-range and heavy. What is an OO union? Can I bring them back? After the relics merge, the used item disappears forever, because you used it to improve another one. How can I buy portal stones? Improve it to increase the creation queue, i.e. the number of units that can be trained at the same time. The first skill of the relics Ice Hammer is disabled to avoid problems in the game. Here are the items that are most often included in sets, and information on where you can find them (restart the game after making a purchase so that the changes appear in the game). Players may request reinforcements only once every few hours after a feature update. Gold is a resource that you can use to buy / upgrade buildings and create spells. With the improvement of the Portal, the number of portal stones that the kingdom can create increases. Contents Dawn of Titans: Beginner's Guide
How does the match event work? What does the "Daily Login Bonus" feature give? Spearmen have heavy armor, which makes them slow and heavy, so they have high damage resistance. You will be able to arm your Titans with relics in order to increase resistance to certain elements. Example: poison - panthers, fire - grenadiers, ice - imperials, earth - giants, physical damage - all units of people. Why Does Dawn of Titans require an internet connection? Now it indicates the number of guaranteed 4-star relics falling on each altar. You can buy a lock shield in the store, which when used is valid? You can attack the domains of other players with two goals: looting and capture. The grain storage allows you to hide a certain amount of food so that it can not be stolen when the city was plundered by other unions. Information about the Altar has been changed. The militia titans are agile and fast, thanks to which they have high maneuverability indicators . You can make a second request without waiting for the feature to be updated by paying a few gems. Be careful when choosing a titan to merge.
